A limited number of partial scholarships are available for students based on parents / guardian's 2024 tax returns. Scholarships are only offered to campers attending the full summer (6 weeks) and are intended for low-income families, and/or parents with multiple children enrolled in the camp who are also making efforts to offset costs through the Vertical Raise Fundraiser (see link below). The deadline to submit scholarship applications is Saturday, May 24, 2025 @ 11:59pm. Late or incomplete applications will not be considered. Please complete the following steps:

2. Complete the 2nd page of this scholarship application (see below).
3. Scan and email in one single attachment the following to evolutionaryarts05@gmail.com.

 - *First page the most recent (2024) tax returns (for BOTH PARENTS)In the email subject line, **include the student's name and scholarship**: Example, John Doe's - Scholarship Application. Due to numerous emails received daily, this will enable us to locate your application. Submit one application per child. We encourage you to follow the instructions thoroughly, otherwise you may not receive a reply.
4. Once your application is received along with the first page of the 2024 income tax for both parents, and it is determined that you've enrolled your child into the Vertical Raise Fundraiser, you will then receive an e-mail confirmation. Should your child qualify for a scholarship, the registration & before/aftercare fees will be waived (worth \$275).
